TO ALL INTERGROUPS – PLEASE READ AND SHARE WITH YOUR GROUPS!!!

Dear Intergroup Representative,

This letter contains important information regarding future editions of the Life-Line Bulletins.

This month (March) and next month (April) will be the final printed copies that will be mailed to Groups throughout the world, except for paid subscriptions. Beginning with the May 2016 issue, the Bulletin will be available at no cost, for reading and printing on the Trustee website:

www.trusteewebsite.com

Home Page top left; click “Life-Line Bulletin”

Enter Access Code – **9131957**

Please share the above information for Bulletin access with other members.

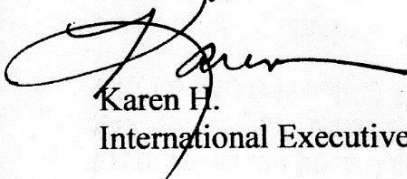

If you are a paid subscriber you will continue to receive the printed version of the Bulletin, with no additional charges until your subscription expires. At that time you will have the opportunity to renew at the posted rate. Effective May 1, 2016, all subscriptions, one (1) copy, will be \$48.00 per year for U.S. and \$60.00 for foreign. Additional single copies in the same envelope will be \$40.00 each U.S. and \$55.00 each for foreign.

I was asked to include the following paragraph from the Board of Regents, so that you will all have a better understanding of why this change is being made:

"The Board of Regents has a fiduciary responsibility to Gamblers Anonymous and its members to oversee the activities of the I.S.O. Given several years of expenses in excess of income at the I.S.O., the B.O.R. has been reviewing options to reduce costs, while maintaining the required services to the fellowship. After much discussion and analysis, the B.O.R. approved the electronic distribution of the Life-Line Bulletin, reducing the annual costs of distribution by over \$60,000.00. Not only does this bring us into the 21st century by delivering documents electronically, it will reduce our carbon footprint as well."

Thank you and if you should have any questions, please contact us at (626) 960-3500 or email isomain@gamblersanonymous.org.

Sincerely,

Karen H.
International Executive Secretary
